Whole School African Storytelling workshop

Thanks again to the LSA for funding a wonderful day of African storytelling and class workshops. The day started with an engaging whole school assembly with the brilliant Alim Kamara - a musician and storyteller from Sierra Leone. It was wonderful to hear stories from another culture and from someone who was so energetic and inspirational. It was thoroughly enjoyed by all including the staff and feedback from the children and staff was excellent.

World Book Day

Thank you to everybody for coming to school yesterday dressed as their favourite book character. Class 1 and year 6 spent the morning reading and writing stories together—it was lovely to see them snuggled in the book corner together or working hard on their shared books. Later in the day we had a class shuffle with every child paired with another year group and they created some creative story books. These will be displayed in the hall next week.

Class 2 Tennis

Class 2 attended a target tennis session at Gosling Sports Park. All our children participated with enthusiasm and showed great sportsmanship. They were a credit to the school and we achieved some great results. Well done to all children.

Nut Allergy- Important information

Your child should have brought home a letter in regards to nut allergies in school and the expectations around this issue. Please do take time to read and consider the information contained in the letter.

Many thanks.
