value of the Month understanding

1 Corinthians 13:11-12

11 When I was a child, I talked like a child, I thought like a child, and I made plans like a child. When I became a man, I stopped those childish ways. 12 It is the same with us. Now we see God as if we are looking at a reflection in a mirror. But then, in the future, we will see him right before our eyes. Now I know only a part, but at that time I will know fully, as God has known me.
