

St John's School

Sports Funding Allocation

April 2017- March 2018

Allocation of Sports Funding grant at St John's C of E Primary School Lemsford

April 2017 - March 2018

The government introduced a new funding grant in September 2013 to strengthen opportunities for sport in school.

Details of the amount our school will receive for year 2017/18 and its proposed allocation can be seen below. Funds have been allocated in accordance with the Sports Funding Action Plan.

Allocation for 2017/18

Total allocation for St John's C of E Primary School April, Lemsford
April 2017 - March 2018

£ 8,520.00

St John's will continue to use the funds to promote high quality coaching and access to a range of sporting and competitive activities.

How the money will be spent:

- Half of the funding buys into the Welwyn Garden City Sports Partnership which runs inter school activities both competitive and coaching; training and support for staff; training child play leaders to run lunchtime activities.
£4260.00
- Part of our funding provides our weekly football/athletics coach for our Thursday after school club which is open to both girls and boys
£1,200.00
- £1200 is allocated to our PE Apprentice who supports the high quality delivery of PE throughout the school

The remaining allocation will be spent on further developing excellence in PE in our school and may include:

£1860 balance to be spent on

- Supporting CPD for staff
- External coaching
- Paying for training for staff other than through the partnership
- Providing new equipment to enhance provision of PE at St John's
- Funding coach transport when needed for attendance at sporting activities

March 2017
